

WIN a pair of four-day conference passes to  
A Mindful Society 2020!

We want to see the 5th-anniversary conference unfold through your eyes. Upload your photos and videos of this year's conference to Facebook, Instagram, and LinkedIn and TAG @amindsociety for your chance to win.

To ensure your posts qualify, you must **tag each one with @amindsociety and they must be publicly viewable**. For example, if your social account is private and we can't see your post; we won't be able to count it as a qualifying post. Consider posting it publicly instead to guarantee it will be seen.

You must be 18 years of age or older to win. Prizes have no cash value and cannot be exchanged or transferred. No purchase necessary. **Contest closes Monday, May 27th at 11:59 pm.**

Full contest details can be found on our website.
